At City's discretion, any information or clarification made to you may be communicated to other Bidders that notified City of their intent to bid if appropriate to ensure fairness in the process for all Bidders.

You must not discuss questions regarding the Invitation For Bid with anyone other than the Project Buyer or other Purchasing Division staff or your bid may be disqualified, any contract recommendation or acceptance may be rescinded, or any contract may be terminated and delivered Goods returned at your expense and City refunded any payments made.
7. **ORAL STATEMENTS.** No oral statements by any person shall modify or otherwise affect the provisions of this Invitation For Bid and/or any resultant contract. All modifications, addenda or amendments must be made in writing by City's Purchasing Division.
8. **BID REJECTION OR WITHDRAWAL.**

 - B. **A bid may be rejected if it contains additional terms, conditions, or agreements that modify the requirements of this Invitation For Bid or limits your liability to the City.**
 - C. A bid may be rejected if you are currently in default to City on any other contract or have an outstanding indebtedness of any kind to City.
 - D. City reserves the right to waive any formalities or minor irregularities, defects, or errors in bids.

After a contract award is recommended to the Mayor, a copy of the bid summary will be available in the City Clerk's Office. Bid results are not provided in response to telephone or email inquiries.
10. **CONTRACT AWARD.** If a contract is awarded, it will be to the Bidder that City determines is the lowest secure bidder meeting specifications. Such bid analysis will consider price and other factors, such as bidder qualifications and financial ability to perform the contract, as well as operating costs, delivery time, maintenance requirements, performance data, history of contract relations with City, and guarantees of materials and equipment, as applicable. A complete list of the factors that are considered is set forth in Tulsa Revised Ordinances, Title 6, Ch. 4, §406E. Unless otherwise noted, City reserves the right to award a contract by item, one or more groups of items, or all the items in the bid, whichever is in City's best interest.
11. **SPECIFICATIONS/DESCRIPTIVE TERMS/SUBSTITUTIONS.** Unless the term "no substitute" is used, the City's references to a brand name, manufacturer, make, or catalogue designation in describing an item in this Invitation For Bid does not restrict you to that brand or model, etc. The City may make such references to indicate the type, character, quality and/or performance equivalent of the item desired. However, you are required to furnish the exact item described in your bid unless a proposed substitution is clearly noted and described in the bid.

The parties recognize that technology may change during the period bids are solicited and subsequent contracts are performed. Therefore, City may at its option accept changes or substitutions to the specifications for Goods of equal or better capabilities at no additional cost to City. In the case of existing contracts, you shall give City 30 days advance notice in writing of any such proposed changes or substitutions. (PLEASE READ CAREFULLY)

EXPLANATION OF THE CITY OF TULSA'S CERTIFICATE OF INSURANCE FORM

The City of Tulsa, Oklahoma, requires the use of this Certificate of Insurance as evidence that the insurance requirements of the contract have been complied with and will continue as long as the contract is in force. The City relies on this Certificate as proof of compliance with the insurance requirements that the vendor/contractor has agreed to provide. The City must be advised of any cancellation or nonrenewal of the required insurance coverage or any reduction in the coverage provided in compliance with the contract as shown in the Certificate of Insurance. Thirty (30) days prior written notice of cancellation or reduction in coverage (other than an aggregate limit provision reduction) and ten (10) days written notice of nonrenewal for nonpayment of premium must be provided to the City so the City can take appropriate action.

Many certificates of insurance are received by the City which contain statements claiming that the certificate is issued as a matter of information only and confers no rights upon the certificate holder. A common example is, "Should any of the above policies be cancelled before the expiration date thereof, the issuing company will endeavor to mail (number of days) days written notice to the certificate holder named to the left, but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives." **This is unacceptable.**

The City has the right of notice of cancellation, nonrenewal and reduction of coverage as a requirement in the contract. The City relies upon the Certificate of Insurance as evidence of contract compliance.

The authorization requirement (that the authorized representative signing the Certificate of Insurance provide written acknowledgment by the insurance company or companies to the City) is written proof that the person signing the Certificate is legally authorized by the insurance company or companies to obligate them, as shown in the Certificate.

The City must have positive evidence in the form of the Certificate of Insurance that the insurance requirements of the contract have been met and will continue to be met without interruption during the term of the contract.

No activity will begin on the contract until the executed Insurance Certificate is received. Your cooperation in providing the City with acceptable evidence of insurance compliance will prevent confusion and delay.
