City reserves the right to pursue all legal and equitable remedies to which it may be entitled.
9. **Indemnification by Seller.** Seller agrees to indemnify, defend, and save harmless City and its officers, employees and agents from all suits and actions of any nature brought against them due to the use of patented appliances, products or processes provided by Seller hereunder. Seller shall pay all royalties and charges incident to such patents.
10. **No Insurance by City.** If City is leasing Goods herein, City shall not be required to obtain insurance for Seller's property. City's right to terminate this Agreement is cumulative to any other rights and remedies provided by law or by this Agreement.
15. **Price Changes.** The parties understand and agree that the variables in Seller's cost of performance may fluctuate, but any change in Seller's cost of performance will not alter its obligations under this Agreement, nor excuse performance or delay on Seller's part. If the IFB provides that Seller may include a price escalation provision in its Bid, Seller's price escalation provision will be evaluated by City as part of Seller's Bid price when awarding the Bid.
16. **Right to Audit.** The parties agree that Seller's books, records, documents, accounting procedures, practices, price lists or any other items related to the Goods and/or Services provided hereunder are subject to inspection, examination, and copying by City or its designees. Seller is required to retain all records related to this Agreement for the duration of the term of this Agreement and a period of three years following completion and/or termination of the Agreement. If an audit, litigation or other action involving such records begins before the end of the three year period, the records shall be maintained for three years after the date that all issues arising out of the action are resolved or until the end of the three year retention period, whichever is later.
17. **Notice.** Any notice, demand, or request required by or made pursuant to this Agreement shall be deemed properly made if personally delivered in writing or deposited in the United States mail, postage prepaid, to the addresses specified below.

Such bid analysis will consider price and other factors, such as bidder qualifications and financial ability to perform the contract, as well as operating costs, delivery time, maintenance requirements, performance data, history of contract relations with City, and guarantees of materials and equipment, as applicable etc. A complete list of the factors that are considered is set forth in Tulsa Revised Ordinances, Title 6, Ch. 4, §406E.

Bids will be reviewed and points will be allocated for each of the following categories by each member of the evaluation committee (minimum of two) and will be based upon the bid submitted.

EVALUATION CRITERIA:

- Maintenance to be performed (See Exhibit A). 60 points
- Repair (Normal Working Hours) 20 points
- Repair (Overtime working hours) 10 points
- Repair Material markup 10 points

A point system will be used to evaluate the bids based on the total number of points earned, using the evaluation criteria listed below; with the contract being awarded to the single bidder gathering the most points.

In each of the following categories, the bidder with the lowest cost (lowest labor rate or lowest material markup) will receive the most points for that category.

The second lowest cost will receive fewer points. Example: If the second lowest cost is 10% higher than the lowest cost for a category, the bidder will receive 10% fewer points. In other words, if the cost bid is X% higher than the lowest cost, the bidder will receive X% fewer points.

Note: Material cost markups of over 10% shall have a deduction of one point for each half of a percent over 10%.
